

# BUDDIES CLUB

## School- Aged Social Skills Group

### PROGRAM OUTLINE

- Buddies group is designed to teach primary school aged children about social skills. Children will learn about making friends and the skills needed to be a good friend.
- Targeted teaching of social thinking skills based on the *Thinking About You, Thinking About Me* framework. This incorporates social awareness, emotional awareness, teamwork and negotiating with others
- Facilitated by a Psychologist in consultation with a multidisciplinary team

### COST

**\$58.53/session**

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs with the following line items:
  - Group Therapy 15\_044\_0128\_1\_3
  - Specialised group early childhood interventions 15\_039\_0118\_1\_3
- Helping Children with Autism and Better Start programs may also be used
- Medicare rebates may also apply for those without an NDIS Plan or FaHCSIA funding
