

HIDDEN HEROES

Upper Primary Social Skills Group

PROGRAM OUTLINE

- Hidden Heroes group builds upon the concepts from Incredible Kids. This group addresses the complexities of pre-adolescent social interactions
- Hidden Heroes aims to put into practice the social skills learned in Incredible Kids. Explicit teaching and practice around social wondering, in particular; the skill required to get to know another person, share interests and conversations
- The participants will work together to get to know each other and plan social events and activities with each others' interests in mind
- The group will be supported by an Allied Health therapist in consultation with a multidisciplinary team.

COST

\$58.53/session

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs with the following line item:
 - Group Therapy
15_044_0128_1_3
