

Intensive School Readiness School Holiday Program

PROGRAM OUTLINE

- The Intensive School Readiness holiday program is specifically tailored for children who will be attending a mainstream primary school in 2018
- It will focus on developing the skills required for a successful transition to school:
 - Fine motor skills/Pre-writing skills
 - Social skills
 - Winning and Losing
 - Being part of a group
 - Playing safely and negotiating in the playground
 - Classroom based skills
- Parents will not be required to stay on the premises, but will be provided with information about their child's participation and progress

COST

\$235/day –

\$1175/5-day program

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs if they have one of the following line items included in their Plan:
 - Group Therapy: 15_044_0128_1_3
 - Specialised group early childhood interventions 15_039_0118_1_3
- Helping Children with Autism and Better Start programs may also be used
- Medicare rebates may also apply for those without an NDIS Plan or FaHCSIA funding
