

MINI MATES

Preschool Social Skills Group

PROGRAM OUTLINE

- Mini mates group is designed to support children from 3 to 5 years who need support in their development of social and communication skills
- The group will introduce early social thinking concepts, developing sharing and turn taking skills
- The group will be facilitated by a Speech Pathologist, Occupational Therapist or Psychologist in consultation with our multidisciplinary team

COST

\$87.75/session

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs if Plans include the following line item:
 - Specialised group therapy for early childhood:
15_039_0118_1_3
- Helping Children with Autism and Better Start programs may also be used
