

SOCIAL BUTTERFLIES

School-Aged Social Skills Group

PROGRAM OUTLINE

- Social Butterflies is a social skills group program for girls. It is designed to help girls to develop their thought processes in challenging social situations.
- Social Butterflies teaches advanced social skills, focusing on problem solving, flexible thinking and the principles and practice of social thinking strategies utilising the *SuperFlex* framework and concepts
- The group will be facilitated by an Occupational Therapist in consultation with a multidisciplinary team.

COST

\$58.53/session

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs with the following line items:
 - Group Therapy 15_044_0128_1_3
 - Specialised group early childhood interventions 15_039_0118_1_3
- Medicare rebates may also apply for those without an NDIS Plan
