

MAD SCIENCE

School Holiday Program

COST:

\$175.59/session-

\$526.77/3-day pgrm

- Participants in the NDIS may be able to use their NDIS Plan to cover the group costs if they have one of the following line items included in their Plan:
 - Group Therapy: 15_044_0128_1_3
 - Specialised group early childhood interventions 15_039_0118_1_3
- Helping Children with Autism and Better Start programs may also be used

PROGRAM OUTLINE

- The Kalparrin Mad Science program is a 3-day social skills program through the medium of Science!
- Participants will engage in shared Science experiences, planning and cooperating in group experiments
- Parents will not be required to stay on the premises, allowing an opportunity for some much-needed respite
- The group will be supported by a range of multidisciplinary staff including Speech Pathologists, Occupational Therapists, Psychologists, and Therapy Assistants

HOW TO REGISTER:

Speak to your Kalparrin Key Worker or Therapist
