

# HIDDEN HEROES

## Upper Primary Social Skills Group

### PROGRAM OUTLINE

Hidden Heroes is the third level in the series of social skills groups offered at Kalparrin. Hidden Heroes builds upon the concepts from Incredible Kids and addresses the complexities of pre-adolescent social interactions. The program uses explicit teaching and hands-on practice with a focus around social wondering; the skill required to get to know another person, share interests and engage in conversations. The participants will work together to get to know each other and plan social events and activities with each others' interests in mind. Hidden Heroes is run by a Speech Pathologist or an Occupational therapist, in consultation with a multidisciplinary team

### WHO IS IT FOR?

Primary School aged children between 8-12 years

### COST

NDIS participants can use their NDIS Plan to cover the group costs if they have one of the following line items included in their Plan:

- Group Therapy: 15\_044\_0128\_1\_3
- Specialised group early childhood interventions: 15\_039\_0118\_1\_3

Helping Children with Autism (HCWA) and Better Start programs may also be used.
