

Media Mates

School Holiday Program

PROGRAM OUTLINE

The Kalparrin Media Mates program is a 3-day social skills program through the medium of technology! Participants will work on skills such as :

- Turn taking / sharing
- Story sequencing / story writing
- Fine motor skills for building characters and settings

Parents will not be required to stay on the premises, allowing an opportunity for some much-needed respite. The group will be supported by a range of multidisciplinary staff including Speech Pathologists, Occupational Therapists and Psychologists.
