

# MINI-MASTERCHEF

## School Holiday Program

### PROGRAM OUTLINE

The Kalparrin Mini-Masterchef program is a 3-day social skills program through the medium of food! Participants will engage in shared food experiences, planning and cooperating in group cooking sessions. Parents will not be required to stay on the premises, allowing an opportunity for some much-needed respite. The group will be supported by a range of multidisciplinary staff including Speech Pathologists, Occupational Therapists, Psychologists, and Therapy Assistants.
